- 7. Petitions with fewer than 10 names do count. If you are not able to fill an entire petition, send in the partially completed petition. Each name counts.
- 8. If you learn a signature is not valid, do not worry. Bad signatures do not knock out other good signatures or invalidate a petition. HOWEVER, known bad signatures should be brought to the attention of the campaign, so that they can be officially deleted. A circulator who recklessly and routinely disregards the signature gathering rules may have an entire sheet stricken even though some signatures are valid.
- 9. You must sign as the circulator of the petition before a Notary Public licensed in Illinois and the Notary Public must affix his/her seal or stamp. Most banks and libraries will notarize free of charge.
- 10. DO NOT number the petition page.
